Building Committee

Stuart LaFrancis spoke about the new master plan for the church. This plan includes a pre-engineered steel frame building and new survey of current property. The cost of new building is lowered by using the pre-engineered frame.

Father Frank's Good News

- New Members Reception
11 new members were greeted which was a successful turnout compared to past years. The current program is going to be revamped on how the church greets new members.
- The Faith Formation position has been changed into a full time position. Jamie will be full time as of July 1st.
- Budget has increased 4.5% for this year due to an increase in faith formation budget.
- Pentecost was a successful event due to all the coordination and teams that helped. Over 1,000 people came to celebrate. The sound system will be changed for next year.
