**Name Tags:**

Fr. Frank will introduce PPC members the first weekend in May. Name tags may be kept in the closet next to confessional.

**Easter Sunday:**

Members were asked opinions about Easter Masses. Masses at South Point High School went logistically smooth and had a spiritual atmosphere. There were about 1,000 at the 9:30 Mass and 800 at 11:30 Mass. The Easter Vigil Mass had a full church as well. For the Christmas Eve mass, the parish is hoping to have one Children's mass at the high school as well to accommodate all.

**Confirmation:**

Confirmation was held at Sacred Heart Chapel and all seats were full. The Mass and reception went well however Bishop Jugis did not attend the reception in the Family Life Center.

**Offertory:**

The offertory continues to grow and growth remains consistent.

**Elements of Parish Ministries**

Fr. Frank listed two elements of Parish Life (Social Ministry and Sick and Homebound Ministry). Members were asked to share thoughts about what changes need to occur in the next 5 years or how we can grow in these ministries.

Added list:

- single parent ministry
- care issue (parents/childcare)

Veterans support group

Military service

Right to Life group

Implementation (marketing) of all these ministries will be discussed at a later time

**Golf Meeting:**

Flyers and forms will be ready at next meeting. Raffle prizes are needed.

**Closing Prayer** was provided by John Fout
