

Dear Parents

Welcome to **Treasured – Discovering You're Priceless to God** virtual VBS!!! We are so excited that you have registered your child for this year's Virtual Vacation Bible School!!! **This year's virtual program started yesterday!** Each day's video will be available on our website on our Vacation Bible School page! There will be an easy link to click on from the home page of our website; www.queenoftheapostles.org.

Help us to make this an engaging experience for kids and send us pictures of the kids interacting with the program – dancing too! Send the God sightings too! These will be posted to the website each day! Send pictures to formation@queenoftheapostles.org. Pictures will be posted on the Vacation Bible School page of our website!

For the next three days, a new video will be posted by 10:00am so you can choose a time during the day that works best for your schedule! We have been hard at work planning a fun, faith-filled week for the children. Be sure to have the children wait to open their imagination station activity with the video.

Thank you for your help in making this a great week for your children!

God bless you,

Ms. Debbie
